AIR DISTRICT SEEKS CANDIDATES FOR HEARING BOARD (ATTORNEY)

The Board of Directors of the Bay Area Air Quality Management District is inviting applications for a vacancy on the District's Hearing Board. State law requires that the Hearing Board have five members - a registered professional engineer, an attorney-at-law, a member from the medical profession and two public members. The vacancy for which candidates are sought is for the attorney-at-law member category.

The Hearing Board is a quasi-judicial body that rules on requests for variances from District regulations, hears appeals from District decisions on permits, and issues Orders of Abatement. The Hearing Board currently meets two to three times a month, usually on Thursdays, at the District's San Francisco headquarters. Members are paid \$300 per meeting day, plus necessary expenses. The vacancy is for a three year term to commence on June 4, 2000.

For an information packet and application form contact the Clerk of the Board, Bay Area Air Quality Management District, 939 Ellis Street, San Francisco, CA 94109, telephone (415) 749-4961. Deadline for receipt of applications is 5:00 PM, Tuesday, March 14, 2000. For more information on the Air District, visit our web site at www.baaqmd.gov
